

# Sri Ramanujan Institute of Technology

Innovation, Research, Technology

## OFFICIAL STATEMENT OF MARKS

|                |             |                |                         |
|----------------|-------------|----------------|-------------------------|
| Student Name:  | Dev Gupta   | Roll Number:   | 21BTAI0590              |
| Enrollment No: | EN202100590 | Branch/Degree: | Artificial Intelligence |
| Batch:         | 2021 - 2025 | Issue Date:    | 2025-12-09              |

| Course Code                                         | Course Title               | Credits | Grade | Marks Obtained |
|-----------------------------------------------------|----------------------------|---------|-------|----------------|
| HS101                                               | Professional Communication | 2       | A     | 81             |
| AI204                                               | Expert Systems             | 3       | B     | 78             |
| MA102                                               | Engineering Mathematics II | 4       | A     | 86             |
| AI302                                               | AI Ethics and Safety       | 3       | B     | 79             |
| AI201                                               | Foundations of AI          | 4       | A     | 83             |
| PH101                                               | Engineering Physics        | 3       | D     | 51             |
| AI201                                               | Foundations of AI          | 4       | C     | 61             |
| AI203                                               | Neural Networks            | 4       | E     | 39             |
| HS101                                               | Professional Communication | 2       | E     | 41             |
| AI302                                               | AI Ethics and Safety       | 3       | D     | 51             |
| AI301                                               | Generative AI Systems      | 3       | C     | 61             |
| PH101                                               | Engineering Physics        | 3       | E     | 50             |
| HS101                                               | Professional Communication | 2       | C     | 61             |
| AI204                                               | Expert Systems             | 3       | C     | 62             |
| CH101                                               | Engineering Chemistry      | 3       | D     | 59             |
| AI302                                               | AI Ethics and Safety       | 3       | B     | 74             |
| AI203                                               | Neural Networks            | 4       | C     | 67             |
| MA102                                               | Engineering Mathematics II | 4       | C     | 70             |
| CH101                                               | Engineering Chemistry      | 3       | C     | 70             |
| Cumulative Grade Point Average (CGPA): 7.21 / 10.00 |                            |         |       |                |
| ES101                                               | Environmental Studies      | 2       | B     | 78             |
| ME100                                               | Engineering Graphics       | 3       | A     | 81             |
| MA102                                               | Engineering Mathematics II | 4       | B     | 73             |
| HS101                                               | Professional Communication | 2       | B     | 74             |
| AI204                                               | Expert Systems             | 3       | D     | 57             |
| AI201                                               | Foundations of AI          | 4       | D     | 56             |
