

# Indira Gandhi College of Engineering

Empowering Minds, Shaping Future

## OFFICIAL STATEMENT OF MARKS

|                |             |                |                                           |
|----------------|-------------|----------------|-------------------------------------------|
| Student Name:  | Ravi Mehta  | Roll Number:   | 2020ECE000427                             |
| Enrollment No: | EN202000427 | Branch/Degree: | Electronics and Communication Engineering |
| Batch:         | 2020 - 2024 | Issue Date:    | 2024-12-13                                |

| Course Code                                         | Course Title                         | Credits | Grade | Marks Obtained |
|-----------------------------------------------------|--------------------------------------|---------|-------|----------------|
| EC302                                               | Antenna and Wave Propagation         | 3       | B     | 52             |
| EC202                                               | Microprocessors and Microcontrollers | 4       | B     | 57             |
| EC303                                               | Control Systems                      | 3       | B+    | 67             |
| EC301                                               | Embedded Systems                     | 4       | A     | 73             |
| MA102                                               | Engineering Mathematics II           | 4       | B+    | 65             |
| EC305                                               | Optical Fiber Communication          | 3       | C     | 44             |
| EC303                                               | Control Systems                      | 3       | B     | 56             |
| EC306                                               | Robotics Engineering                 | 3       | B     | 55             |
| EC203                                               | Analog Electronic Circuits           | 3       | B     | 50             |
| MA102                                               | Engineering Mathematics II           | 4       | C     | 44             |
| EC306                                               | Robotics Engineering                 | 3       | B+    | 67             |
| ME100                                               | Engineering Graphics                 | 3       | A+    | 80             |
| EC203                                               | Analog Electronic Circuits           | 3       | A     | 78             |
| EC301                                               | Embedded Systems                     | 4       | A+    | 81             |
| EC205                                               | VLSI Design                          | 4       | A     | 77             |
| ME100                                               | Engineering Graphics                 | 3       | A     | 77             |
| EC303                                               | Control Systems                      | 3       | A+    | 88             |
| EC205                                               | VLSI Design                          | 4       | A     | 77             |
| ES101                                               | Environmental Studies                | 2       | A     | 76             |
| Cumulative Grade Point Average (CGPA): 7.63 / 10.00 |                                      |         |       |                |
| MA102                                               | Engineering Mathematics II           | 4       | A+    | 85             |
| EC303                                               | Control Systems                      | 3       | A+    | 81             |
| EC206                                               | Wireless Communication               | 3       | A+    | 89             |
| EC301                                               | Embedded Systems                     | 4       | A+    | 86             |
| EC201                                               | Digital Signal Processing            | 4       | C     | 45             |
| EC302                                               | Antenna and Wave Propagation         | 3       | C     | 43             |
