

# National Institute of Engineering and Sciences

Knowledge, Integrity, Innovation

## OFFICIAL STATEMENT OF MARKS

|                |              |                |                   |
|----------------|--------------|----------------|-------------------|
| Student Name:  | Dhruv Kapoor | Roll Number:   | NIES19CE0834      |
| Enrollment No: | EN201900834  | Branch/Degree: | Civil Engineering |
| Batch:         | 2019 - 2023  | Issue Date:    | 2023-06-16        |

| Course Code                                         | Course Title                         | Credits | Grade | Marks Obtained |
|-----------------------------------------------------|--------------------------------------|---------|-------|----------------|
| CE302                                               | Steel Structures                     | 3       | A+    | 83             |
| PH101                                               | Engineering Physics                  | 3       | A     | 71             |
| ES101                                               | Environmental Studies                | 2       | A+    | 87             |
| CE303                                               | Water Resources Engineering          | 3       | O     | 91             |
| CE301                                               | Concrete Technology                  | 4       | A     | 77             |
| CE303                                               | Water Resources Engineering          | 3       | B+    | 60             |
| CE301                                               | Concrete Technology                  | 4       | B+    | 64             |
| ME100                                               | Engineering Graphics                 | 3       | B     | 56             |
| CE304                                               | Construction Planning and Management | 3       | B+    | 68             |
| MA102                                               | Engineering Mathematics II           | 4       | B+    | 61             |
| PH101                                               | Engineering Physics                  | 3       | A+    | 83             |
| CE201                                               | Structural Analysis                  | 4       | A     | 75             |
| CE302                                               | Steel Structures                     | 3       | A     | 79             |
| MA101                                               | Engineering Mathematics I            | 4       | A+    | 86             |
| CE301                                               | Concrete Technology                  | 4       | B+    | 66             |
| MA102                                               | Engineering Mathematics II           | 4       | A     | 78             |
| ME100                                               | Engineering Graphics                 | 3       | B+    | 69             |
| CE203                                               | Surveying                            | 3       | A+    | 81             |
| CE204                                               | Environmental Engineering            | 3       | B+    | 60             |
| Cumulative Grade Point Average (CGPA): 7.73 / 10.00 |                                      |         |       |                |
| MA101                                               | Engineering Mathematics I            | 4       | C     | 44             |
| ES101                                               | Environmental Studies                | 2       | C     | 46             |
| CE202                                               | Geotechnical Engineering             | 3       | C     | 41             |
| CH101                                               | Engineering Chemistry                | 3       | B     | 54             |
| MA101                                               | Engineering Mathematics I            | 4       | B     | 53             |
| CE205                                               | Transportation Engineering           | 3       | B     | 55             |
