

# Vivekananda Technical University

Excellence in Engineering and Research

## OFFICIAL STATEMENT OF MARKS

|                |               |                |                                           |
|----------------|---------------|----------------|-------------------------------------------|
| Student Name:  | Sandeep Yadav | Roll Number:   | 2019ECE000818                             |
| Enrollment No: | EN201900818   | Branch/Degree: | Electronics and Communication Engineering |
| Batch:         | 2019 - 2023   | Issue Date:    | 2023-03-21                                |

| Course Code                                         | Course Title                 | Credits | Grade | Marks Obtained |
|-----------------------------------------------------|------------------------------|---------|-------|----------------|
| EC203                                               | Analog Electronic Circuits   | 3       | A     | 79             |
| EC204                                               | Electromagnetic Field Theory | 3       | A+    | 81             |
| EC301                                               | Embedded Systems             | 4       | A     | 70             |
| ME100                                               | Engineering Graphics         | 3       | A+    | 85             |
| HS101                                               | Professional Communication   | 2       | A+    | 82             |
| EC302                                               | Antenna and Wave Propagation | 3       | C     | 47             |
| ME100                                               | Engineering Graphics         | 3       | C     | 41             |
| MA101                                               | Engineering Mathematics I    | 4       | B+    | 61             |
| EC301                                               | Embedded Systems             | 4       | F     | 37             |
| HS101                                               | Professional Communication   | 2       | C     | 40             |
| EC203                                               | Analog Electronic Circuits   | 3       | A+    | 88             |
| MA102                                               | Engineering Mathematics II   | 4       | A     | 70             |
| EC305                                               | Optical Fiber Communication  | 3       | A+    | 85             |
| EC304                                               | Digital Communication        | 3       | A+    | 83             |
| ME100                                               | Engineering Graphics         | 3       | B+    | 65             |
| ES101                                               | Environmental Studies        | 2       | A     | 79             |
| CH101                                               | Engineering Chemistry        | 3       | A+    | 86             |
| EC303                                               | Control Systems              | 3       | A     | 74             |
| EC201                                               | Digital Signal Processing    | 4       | A     | 71             |
| Cumulative Grade Point Average (CGPA): 7.39 / 10.00 |                              |         |       |                |
| MA101                                               | Engineering Mathematics I    | 4       | A+    | 82             |
| EC201                                               | Digital Signal Processing    | 4       | O     | 98             |
| EC302                                               | Antenna and Wave Propagation | 3       | O     | 91             |
| CH101                                               | Engineering Chemistry        | 3       | O     | 97             |
| EC301                                               | Embedded Systems             | 4       | F     | 38             |
| MA102                                               | Engineering Mathematics II   | 4       | B     | 53             |
