

# National Institute of Engineering and Sciences

Knowledge, Integrity, Innovation

## OFFICIAL STATEMENT OF MARKS

|                |               |                |                        |
|----------------|---------------|----------------|------------------------|
| Student Name:  | Aditya Chopra | Roll Number:   | NIES21ME0109           |
| Enrollment No: | EN202100109   | Branch/Degree: | Mechanical Engineering |
| Batch:         | 2021 - 2025   | Issue Date:    | 2025-02-15             |

| Course Code                                         | Course Title                       | Credits | Grade | Marks Obtained |
|-----------------------------------------------------|------------------------------------|---------|-------|----------------|
| ES101                                               | Environmental Studies              | 2       | O     | 95             |
| ME304                                               | Automobile Engineering             | 3       | A+    | 88             |
| ME204                                               | Heat and Mass Transfer             | 4       | O     | 95             |
| ME301                                               | Machine Design                     | 4       | A+    | 84             |
| MA101                                               | Engineering Mathematics I          | 4       | A+    | 82             |
| ME305                                               | Refrigeration and Air Conditioning | 3       | A     | 77             |
| ME303                                               | Industrial Engineering             | 3       | A     | 72             |
| ME205                                               | Kinematics of Machinery            | 3       | A+    | 86             |
| CH101                                               | Engineering Chemistry              | 3       | A+    | 80             |
| ME302                                               | Dynamics of Machinery              | 3       | O     | 91             |
| ME204                                               | Heat and Mass Transfer             | 4       | B     | 53             |
| ME305                                               | Refrigeration and Air Conditioning | 3       | C     | 46             |
| MA102                                               | Engineering Mathematics II         | 4       | B     | 54             |
| ME302                                               | Dynamics of Machinery              | 3       | B+    | 66             |
| ME306                                               | Power Plant Engineering            | 3       | B     | 59             |
| ME303                                               | Industrial Engineering             | 3       | A+    | 81             |
| ME205                                               | Kinematics of Machinery            | 3       | A+    | 85             |
| ME203                                               | Manufacturing Processes            | 3       | O     | 92             |
| CH101                                               | Engineering Chemistry              | 3       | A     | 75             |
| Cumulative Grade Point Average (CGPA): 7.84 / 10.00 |                                    |         |       |                |
| ME203                                               | Manufacturing Processes            | 3       | A+    | 81             |
| ME201                                               | Thermodynamics                     | 4       | A+    | 88             |
| ME202                                               | Fluid Mechanics                    | 4       | A     | 79             |
| MA102                                               | Engineering Mathematics II         | 4       | A     | 79             |
| ME305                                               | Refrigeration and Air Conditioning | 3       | C     | 47             |
| MA101                                               | Engineering Mathematics I          | 4       | B+    | 62             |
